Upper Intermediate

I'm a passionate junior frontend developer with a solid foundation in building responsive, user-friendly web applications. Proficient in **React.js** and **Next.js**, I specialize in crafting dynamic, scalable user interfaces with a focus on performance and usability. With hands-on experience in modern styling tools like **Tailwind CSS** and **CSS Modules**, I bring clean, visually appealing designs to life. I'm committed to delivering high-quality, user-focused solutions—whether working independently or as part of a team—while continuously learning and staying up-to-date with the latest in frontend development.
