LANGUAGES

Arabic: First Language

English:

B1

Intermediate

A self-taught Frontend developer who has recently learned stuff about web development like HTML, CSS, JavaScript, React JS, Bootstrap, Redux, Material UI and other things. Also, I made a few projects on my own using these technologies and by getting real designs from <https://www.frontendmentor.io/> website. Seeking to be part of a reputable organization where I can sharpen my skills and gain more knowledge.

COURSES

- Advanced React - Meta Front-End Developer Professional Certificate
- React Basics - Meta Front-End Developer Professional Certificate
- Elzero Web School - Youtube Channel
