LANGUAGES

Arabic: First Language

English: B1

Intermediate

A self-taught Frontend developer who has recently learned stuff about web development like HTML, CSS, JavaScript, React JS, Bootstrap, Redux, Material UI and other things. Also, I made a few projects on my own using these technologies and by getting real designs from https://www.frontendmentor.io/ website. Seeking to be part of a reputable organization where I can sharpen my skills and gain more knowledge.
